If at least 20 individuals do not RSVP our event will be canceled. This is to put us on our way to reaching our total attendance goal (25 people), and show the restaurant that we have been marketing. **Please sign up and send this to family, friends and contacts.**

Individuals can eat in or carry out food. You can order ahead and pick it up. You can enjoy a meal out with friends and know that you are benefiting a great organization. But, ***you must tell the restaurant, or your server, that you are ordering for the:***

Please send this to family, friends and contacts.

Let me know if you are coming out between 12 Noon and 3 PM!
