

FAST FACTS

**Our community
is evolving.**

**Your transportation
options should, too.**

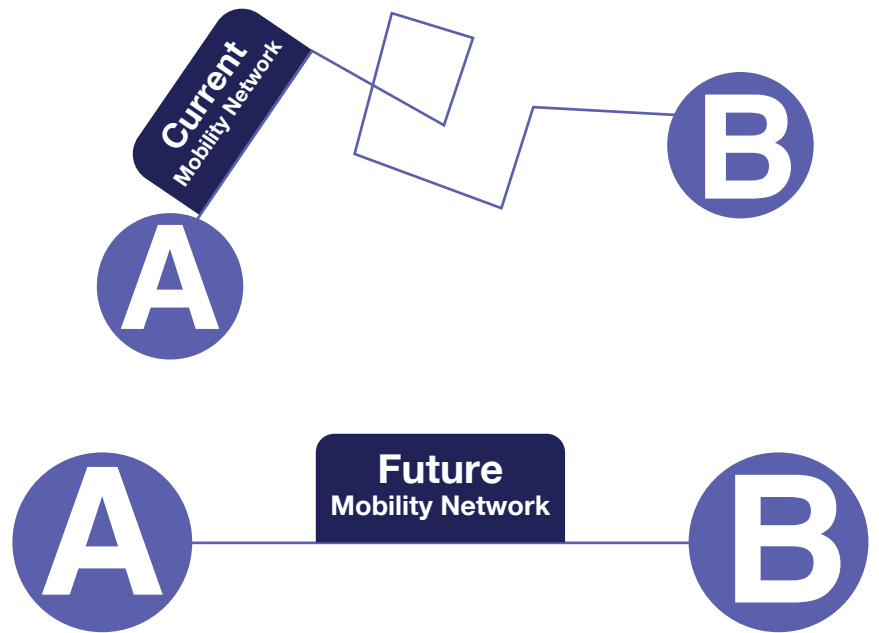

Reimagine RTA.

**Tell us what
drives you.**

*What is the
What Drives You
campaign?*

What Drives You is a project to evaluate Greater Dayton RTA's current transit system, identify strengths and weaknesses, and develop a mobility network for today and tomorrow. We will assess existing/projected conditions while developing short- and long-range recommendations to create a more efficient and effective mobility system.
