

Clothing Recycling Program for Apartments

Join the growing number of luxury apartment communities using the GreenDrop Clothing Recycling Program!

HOW IT WORKS:

GreenDrop places an attractive, easy to use container in a common area for residents to conveniently donate. Uniformed and insured GreenDrop drivers empty the container on a frequent basis.

Dimensions: 31"W x 55"H x 35"D

BENEFITS:

- + Free service to apartments & residents
 - + Reduces waste removal costs
 - + Promotes environmental awareness
- + Benefits a great American charity of your choice

American Red Cross

NATIONAL FEDERATION OF THE BLIND

For over 60 years GreenDrop has worked on behalf of our charity partners, to collect and sell of donated clothing and household items. In 2018 GreenDrop raised over \$3.2 million for these great American charities.
