

Free Masks for Benton County Residents

The Linn-Benton Chapter of the National Federation of the Blind in partnership with Dial A Bus will prepare and deliver packages of Covid19 PPE made available by Benton county. This service is offered to Benton county residents who cannot drive to pick up supplies.

Packages include: 2 N95 masks for each family member and can include hand sanitizer, face shields, and gloves on request and while supplies last. We will fill requests as long as supply is available to us. We will contact you to approve the time for delivery.
