

# Fire Aware. Fire Prepared.

## Wildfire Wednesdays

### Are you ready for the next wildfire season?

The 2020 wildfires affected all Oregonians, and we learned EVERYONE needs to be Aware and Prepared.

"The Fire Aware. Fire Prepared." program was developed to help Oregonians prepare for the reality of wildfire. This series of webinar sessions and online local meetings will address preparedness at three levels:

- **Individual**  
What you can do now to get yourself, your family, and your home ready
- **Community**  
How you can be a part of promoting a wildfire safe community
- **Landscape**  
How you can live and thrive in a fire-adapted environment

**The first session is on March 17!
