

2024 Dark Café: Lights Out Luau

On April 28th, 2024, from 5:30pm – 7:30pm, the Linn-Benton chapter of the National Federation of the Blind of Oregon will be hosting a dark café fundraiser event: Lights Out Luau. This fun and educational evening will be a chance to experience dining without sight, while also learning about other adaptive techniques blind people use to navigate their world.

Thank you to members of our local Hawaiian community whom we consulted with for this event. Through their guidance, The Lights Out Luau is designed to be a culturally sensitive and accessible exposure to Hawaiian traditions. Activities will include an introduction to traditional hula, taught with accessible methods for blind people by Hawaiian dancers.

The NFB is a non-profit volunteer membership organization which believes that low expectations create obstacles between blind people and our dreams. Through a wide array of programs and services, the NFB seeks to break down barriers and raise awareness for blind equity. The Linn-Benton chapter works to further our mission in our local area of Oregon, as well as participating in activities and events on the state and national level.

Lights Out Luau ticket sales will run from February 10th to April 10th. For ticket sales or sponsorship details, visit: https://www.nfb-oregon.org/home/chapters%20and%20divisions/linn-benton%20chapter/dark_cafe.php
