

National Federation of the Blind of Springfield  
Debra Baker, President  
[Dqventure915@gmail.com](mailto:Dqventure915@gmail.com)

Dear Debra,

First, let me say thank you!

Your thoughtful donation of \$200.00 in support of our April fundraiser held at TownHall in Columbus provides more access to information for blind and low vision people through 3D printing. The event was a huge success thanks to the people and organizations like NFB of Springfield who gave so generously.

Thanks to you, we have provided over 270 models so far this year. Astronomy students have learned about constellations, black holes, and our galaxy. A student's finger placement, while typing braille, has improved with the use of finger guides printed for brailers. And upon receiving maps with points of interest representing a popular book and TV show, one woman was able to connect with her favorite story in an even deeper way.

Donors like you help make our models an essential tool in education. We value your contribution to our mission.

Once again, we thank NFB of Springfield for your generosity and pledge our continued commitment to providing educational 3D models for people who are blind. See you soon at the NFB of Ohio 75<sup>th</sup> Convention and Exhibit Hall!

Best always,

A handwritten signature in cursive script that reads 'Caroline Karbowski'.

Caroline Karbowski  
President and Founder

Your gift received on 5/2/2021, has been designated as follows: Donation: \$200

Please contact us if you have any questions regarding your gift.

Gifts to See3D, Inc are tax deductible in the United States as allowed by law.

Please keep this letter as an official receipt of your gift.

No goods or services were given to you in exchange for this gift.

See3D, Inc is a 501(c)3.
