Dear Friend of the Blind:

The National Federation of the Blind of South Carolina (NFB of SC) is a leading advocacy organization dedicated to improving the lives of blind individuals throughout the state. The NFB of SC is a private, non-profit 501(c)(3) tax exempt organization of the blind serving blind South Carolinians since 1944.

Through education, technology, and legal advocacy, we empower members to achieve independence and equality. Our vibrant community organizes events, workshops, and support groups to foster a sense of belonging and collective strength among our members. Our tireless efforts not only advocate for the rights of the blind but also educate the public on the potential and capabilities of blind individuals, promoting a more inclusive society.

We are seeking your tax deductible donations for our upcoming Family Fun Day on June 1st, a day dedicated to joy, connection, and inclusivity. This event offers a unique opportunity for members to come together in a spirit of fellowship, allowing individuals and families to engage with others from across the state. It is not just an occasion to revel in a variety of fun activities and games but also a chance to build lasting relationships, share experiences, and strengthen our community bonds. Members will be able to make new friends, enjoy a day filled with laughter, or simply be a part of a supportive network. Family Fun Day promises to be an unforgettable experience that celebrates the vibrant spirit of our members and their families. Support us as we create wonderful memories together and foster a deeper sense of unity and support within the National Federation of the Blind of South Carolina.
