\*Here's the fine print: Available to the first 300 groups to sign up. Each bag must have 25 pairs of gently worn, used and new shoes. 100 bags should equal 2,500 lbs., 120 bags should equal 3,000 lbs., and 160 bags should equal 4,000 lbs. This is a tiered incentive so the more you collect, the more you'll earn.
