

Please join us for our first online BEST program. We will be focusing on the expanded core curriculum. These skills focus on everything outside of normal academics. This includes cooking, orientation and mobility, braille and many other things.

All lessons are taught by qualified blind adults and supervised by a certified teacher of the visually impaired.

Lessons will be provided remotely via Zoom.

Register now online at
rebrand.ly/NFBTBEST

Designed for blind children ages 4-12

**COST: \$25 per session
\$150 for all 9 sessions**

It is important that you register early. Each session you register for will come with materials that will be shipped to your door for your child to use.
