

# You're Invited: NFBSF June Social – Picnic Celebrating Pride Month

**Saturday, June 21 at 12:00 PM**  
**Mission Dolores Park, San Francisco**

---

**Dear Community,**

You're invited to join the **National Federation of the Blind of San Francisco** for our **June monthly social**—a **Pride Month picnic** at **Dolores Park** on **Saturday, June 21 at 12:00 PM!**

Whether you're blind or low vision, LGBTQ+, a family member, ally, or just curious about who we are—you're welcome. This event is open to everyone and designed to be easy, joyful, and community-centered.

Dolores Park will be alive with Pride Month celebration—music in the air, color all around, and neighbors gathering on the hillside. We'll be right in the heart of it with picnic blankets, good food, and great company.

## **About the Chapter**

The **National Federation of the Blind of San Francisco (NFBSF)** is a member-led organization of blind and low vision people working to build equity, opportunity, and connection throughout our city.

We host monthly socials like this one to bring people together—whether you've been part of the community for years or are just beginning to explore. These gatherings are about showing up, building community, and celebrating who we are.

You're warmly invited to spend the afternoon with us.

**Bring a blanket, wear your Pride colors, bring something to drink, and come as you are.**

**Boxed lunches typically cost \$17.**

To simplify logistics and support our chapter, **we're asking for a flat \$20 per lunch**—or more if you'd like to contribute.

**Anything above the cost of lunch goes directly to support NFBSF.**
