

Getting to Dolores Park: We Are Gathering About 300 Feet In from the Southwest Corner at 20th and Church

We'll be gathering about **300 feet into Dolores Park** from the **southwest corner**, where **20th Street and Church Street** meet. You'll enter at the **top corner of the park** and follow a **paved path heading north along the west side of the park**.

At the entrance, you'll encounter a **cluster of picnic tables**—keep those tables on your **right-hand side** as you begin. The **path will level out**, and you will be walking **north, downhill, with the grass on your right**. After about 300 feet, we'll be just off the path on the right, under a **cluster of trees**.
