

Alameda County 2026 Small Voter Keys

November 3, 2026

Printing and Distribution Index

Extracted from the October 21, 2026 Alameda County Master Key

Use the key for the voter's city or unincorporated community. Each city/area key includes RTM and the measures and city/school or local-area races associated with that place. Statewide propositions are in the separate statewide guide.

Because special-district boundaries cross city lines, also check the separate Special Districts and Community Colleges key for any transit, BART, water, park, sanitary, health-care, recreation, or community-college races printed on the voter's official ballot.

Sources and checking

The Alameda County Registrar of Voters is the controlling source in this extract for the local measure list and current candidate roster. The October 21 master also cross-checks responsible cities, school districts, regional agencies, and local reporting where useful. If your official ballot differs from this extract, use your official ballot.
