

Discover the World of Braille!

A Hands-On Adventure for Kids and Families

When:

Saturday, October 4

Where:

Skyline House **EAST** Party Room

1:30 PM TO 3:00 PM

Who:

Children ages 5–10 and their families (but all are welcome, of any age)

Come join the Fairfax Chapter of the National Federation of the Blind of Virginia for a fun, interactive program where kids will:

- ✦ **Explore Braille** – Learn how blind people read with their fingertips.
- ✦ **Experience Life Differently** – Try out everyday techniques blind people use at home, school, and work.
- ✦ **Ask Anything!** – Kids (and parents) can ask questions and receive honest answers.
- ✦ **Storytime with a Twist** – Enjoy children's books in both print and Braille.

This is more than just a learning activity—it is a chance for children to grow in curiosity, compassion, and confidence as they discover how people who are blind live full and active lives.

Parents will enjoy seeing their children's imaginations light up while gaining insight into how inclusion and accessibility benefit everyone.

Free & Open to Residents – Come join the adventure!
