

I Can Lead! Summer Program for Blind and Low-Vision Children

Braille. Nonvisual Skills. Lifelong Friendships.

Coming soon to Vancouver, Washington!

The National Federation of the Blind Braille Enrichment for Literacy and Learning® Academy (NFB BELL® Academy) empowers blind and low-vision children by developing their literacy skills. This helps them live the lives they want academically, vocationally, and otherwise.

- Receive Braille and nonvisual skills instruction through fun, hands-on learning.
- Your child will connect with blind role models, other blind students, and more!
- Join us as we learn leadership, self-advocacy, and Braille skills.

The NFB of Washington will offer a residential program this summer at the Washington State School for the Blind. Save the date! Registration is \$85 per student (scholarships available). Registration will open early spring.

- **August 4-10, 2024 (ages 8-13)**
