

### **POSSESSION OF FIREARMS POLICY**

City University of Seattle subscribes to the following policy for all individuals while they are in any campus facility or rented classroom of the University:

“Possession or use of firearms (concealed, permitted, or otherwise), explosives, dangerous chemicals or any other weapons on any University site or at any University-sponsored or sanctioned function. Exceptions to the rule forbidding possession of firearms may be granted to uniformed police officers by the Vice President of Student Services”

Further, RWC 9.41.280 provides, in pertinent part;

“It is unlawful for a person to carry onto, or to possess on... facilities while being used exclusively by public or private schools: (a) Any firearm;”
