

NFB BELL ACADEMY – BANKING ON BLINDNESS SKILLS

The National Federation of the Blind (NFB) Braille Enrichment for Literacy and Learning (BELL) Academy helps blind and low-vision children, ages four through twelve, develop the literacy skills that will empower them to achieve their academic goals and live the life they want. This year, with the assistance of our Wells Fargo partners, we provide opportunities to develop financial literacy skills as well. In addition to Braille instruction, the program provides instruction in other nonvisual blindness skills through fun, hands-on learning.
