

Blind Student Meet and Greet

Are you interested in meeting other blind students in Ohio?

Students from Ohio are organizing a blind student meet and greet to start building an active and vibrant network around the state. If you are interested in opportunities for peer mentorship and social interaction, please fill out [this survey](#) with your availability and what you would want from a student organization by September 14th, 2026.

Please contact nfb.ohioblindstudents@gmail.com with questions.
