

*Live the life you want.*

**April, 2026**

Dear Friend,

The National Federation of the Blind of Pennsylvania is a nonprofit organization led by blind Pennsylvanians, for blind Pennsylvanians. We believe blind people can live, work, and lead independently—and we're here to make sure they can.

From helping newly blind individuals adjust to vision loss, to providing free white canes and literacy programs for children, to awarding scholarships and hosting leadership workshops, our mission is about breaking barriers. And we're powered entirely by volunteers.

This November 5–8, we'll gather in Hershey for our 2026 State Convention. It's a weekend of connection, learning, and advocacy—with hundreds of blind students, professionals, families, and allies from across the Commonwealth. We also host accredited training sessions for educators, rehab counselors, and service providers.

Your support makes this possible. Sponsoring our convention helps fund programs like:

- The BELL Academy, teaching blind children to read Braille
- Scholarships for college-bound students
- Financial assistance so blind individuals can attend life-changing events like this one

As a sponsor, you'll also have the chance to showcase your services, build relationships, and connect with a growing, engaged, and diverse community.

Please review the enclosed sponsorship options. We'd be honored to have you with us this year.

Sincerely,

**David B. Goldstein,**  
First Vice President & 2026 Convention co-Chair  
, National Federation of the Blind of Pennsylvania
