[[MELINDA](#)] She is in her 50s-60s. **She is blind or low vision.** Disciplined but bull headed, disciplined, tenderhearted, empathetic, aggressive. She's proof that you don't need to know where you are going. She can smell when a person tries to fib their way out of tough conversations and she will not stand for it. She loves hiking and hits a specific trail every weekend which has been part of her routine for decades now. She enjoys simple pleasures like the smell of wind when it blows through a high point in the woods.

Storyline: Roomcompact follows Suman, a 24-year-old Indian immigrant student in LA as he grapples with the uncertainty of landing a work visa to remain in the US while simultaneously dealing with the possibility of losing his two closest friends.
