## National Braille Association

### Professional Development Conference

**April 18-20, 2013**

Don't miss the opportunity to learn from some of the nation's leading experts in the field of braille transcription and production. With 24 intense workshops over the course of 3 days, the invaluable resources and helpful handouts will be crucial information for transcribers, teachers and students alike. Special topics include; Braille Formats 2011 Revisions, Tactile Graphics, Nemeth Math and Science, Foreign Language and Music Braille. Online registration begins January 2013.
