The National Braille Association (NBA) invites you to join us for this Fall's Professional Development Conference. From October 23rd through the 25th, we will be gathering in the historic city of Milwaukee for a three-day intensive training on the Unified English Braille (UEB) code. You'll leave our conference with a better understanding of the changes UEB will bring as well as feeling more confident about your ability to work with the new code.

We encourage you to register as early as possible.

There will be no on-site registration for this conference and the deadline for registration is October 3rd. Braille and large print materials are prepared for those who need them only when they are registered by September 21, 2014. The Registration Desk opens Thursday, October 23, 2014, at 7:00 am.
