

## NFB National Convention Career Fair July 2, 2023, 1:00 to 4:00 pm Central

Join us Sunday, July 2, 2023, from 1:00 to 4:00 p.m. Central for our National Convention Career Fair, to be held at the Hilton Americas - Houston – 1600 Lamar Street, Houston, TX 77010. There is no charge for employers or job seekers.

The National Federation of the Blind career fairs are events for blind people seeking jobs to connect with employers, and an opportunity for employers to seek more talent for their teams.

This event will be held in-person – there is not a virtual option.

Each registered employer will have a table and chairs, and registered job seekers will circulate around the room talking to employers. The National Convention is the largest national event in the Federation year, and draws jobseekers from each of the 50 states, the District of Columbia, and Puerto Rico.

Registration for the career fair is required for both job seekers and employers. Walk-ins will not be admitted. To attend, **you must register by 12:00 noon Eastern on Friday June 16, 2023.** We will not be able to accept registrations after that time.

For more information on the career fair, please contact Jennifer Wenzel, Employment Committee Chair, at [jwenzel@beyondvision.com](mailto:jwenzel@beyondvision.com), John Dubay, Employer Liaison, at [jdubay@leadsatscale.com](mailto:jdubay@leadsatscale.com), or Rachel Kuntz at [rachelrkuntz@gmail.com](mailto:rachelrkuntz@gmail.com).

### **About National Federation of the Blind Employment Initiatives**

With opportunities to compete in the workplace in terms of equality, blind people can achieve careers based on their dreams, talents, and abilities. The National Federation of the Blind connects working-age blind people with opportunities and resources to compete in the workplace on terms of equality.
