

Flight for Sight is excited to announce the launch of the 2024 \$10,000 Flight for Sight Travel Grant Application. Three grants of \$10,000 each will be awarded to individuals or teams with at least one person who is blind or has low vision. Their mission is to explore the world, engage with others, and educate people about blindness and/or low vision. This round of grantmaking will be for travel between April 1 and October 31, 2024.

The first stage of the application consists of a few questions about their idea via video or written submission. Select applications will be chosen for semifinal and final rounds. Details will be forthcoming.

The application can be found at [www.FlightforSight.net/Apply](http://www.FlightforSight.net/Apply).

The deadline to submit and edit the application is February 1, 2024 at 11:59 PM Eastern Time.
