BrailleSense Polaris

~~\$5,795.00~~ **\$5,495.00**

The new Notetaker that everyone is talking about...

BrailleSense Polaris offers a new standard in blind-friendly applications with the latest in cutting edge technology. We've kept the traditional computer interface that has contributed to the popularity of other BrailleSense models. BrailleSense Polaris supports Google Apps, making it easy to utilize Google services

like Drive, Docs, Sheets, and Slides as millions of other students do everyday. **Get it today, at the introductory price of \$5,495 - this price won't last forever!** [Pay less for more - check out our BrailleSense Polaris Trade-In Offers!](#)

Braille EDGE 40

~~\$2,795.00~~ **\$2,495.00**

Braille EDGE 40 is not only the most reliable, high-performance refreshable Braille display, it also helps you manage your daily activities. Create and save notes, or read books and documents with the notepad. Use the scheduler to remind you of important dates. Use the alarm to remind you of upcoming appointments, and take advantage of the built-in calculator, stopwatch and countdown timer.

Smart Beetle with Case

~~\$1,345.00~~ **\$995.00**

A Pocket-sized Power Pack That Fits Your Lifestyle and Your Budget! Smart Beetle is a 14-cell Braille display that brings the world to your fingertips. It's the lightest, most portable Braille display available. Take it with you to school, to work or on vacation and have reliable, discrete access to all of your mobile devices and personal computer systems.

NEWS SHOP NOW

HIMS has been at the forefront of new features and developments for low vision products, aids, and assistive technology for people with vision impairment for more than 15 years. We were the first to offer a handheld video magnifier with a 5" LCD, first to create a portable video magnifier with iPad Connectivity, and first to add OCR (optical character recognition) and text-to-speech to a selection of affordable low vision technology products.

OCR & Book Players

Home / Products / OCR & Book Players

Sort by Default Order		Show 12 Products		
------------------------------	--	-------------------------	--	--

Blaze EZ Multi-Player

\$595.00

Blaze EZ OCR Multi-Player is yet another example of the HIMS commitment to blazing new paths to accessibility. Blaze EZ's wide range of media support and on-the-spot OCR & text-to-speech ensures endless hours of information and entertainment at the touch of a button, including newspapers, books, documents, restaurant menus as well as DAISY and media

content. You can scan and read printed materials immediately, or save them for reading at your leisure.

Blaze ET Multi-Player

\$795.00

The New Book Player Everyone is Talking About... An Advanced Multi-Player with OCR for Books, Music, Documents, Podcasts, Recording, DAISY and More!

GoVision

\$2,795.00

GoVision is an all-in-one, space-saving HD video magnifier that combines all the best features of a desktop video magnifier with transportability and connectivity unrivaled by other products. Take GoVision wherever you need it to magnify text, view photos, check ingredients on food packaging, do crafts and much more. Use Self View Mode for personal grooming or applying make-up before you leave the house. Take GoVision with you to use the Distance Mode with the 360° camera rotation to view a whiteboard in the classroom or a presentation at work.

E-bot and E-bot ADV

\$2,495.00 – \$2,995.00

E-bot & E-bot ADV iPad-compatible Read, Write and Distance Portable Video Magnifier with OCR

Get the ONLY portable video magnifier that's compatible with iPad, Android, PC and Mac. Magnify near and far. Use E-bot to read a book, see the blackboard or take notes in class. Use E-bot ADV to perform text-to-speech with OCR and listen to it read aloud through built-in speakers or your own headset.

E-bot PRO

\$3,495.00

Display directly on your iPad screen via dedicated Wi-Fi wireless access point and use common touch-screen gestures to adjust the magnification level and image color, capture an image or OCR a document. . . and even control the camera movement. Or, connect with a Mac via USB 3.0 or PC via USB 2.0/3.0, or a TV or computer monitor with HDMI.

Blaze ET & Smart Beetle Bundle

\$1,700.00 – \$1,820.00

Premium Options Pack for Blaze EZ and Blaze ET

\$149.00
