The 7th Annual TNABA Adaptive Sports Conference is unlike any conference you have ever attended. This event gives attendees the opportunity to experience hands on Adaptive Sports and Recreational activities for the blind and sighted. This conference is great for Physical Educators, Vision Teachers, Coaches, Community Sports Coordinators, those living with visual impairments, and their families. Everyone is welcome to join us in this experience! Come learn how those without sight can still live life through adventure!

No Charge for visually impaired Attendees, Veterans or TNABA members. All others can attend for a \$20 donation.
