

## **Cutting EDGE Teen Leadership Program**

Cutting EDGE is a leadership, literacy, and learning program that empowers legally blind Middle School students in Texas by helping them to develop the vocational and blindness skills necessary to reach their educational potential. The program supports individual success with the free informational service of NFB Newsline for Texas.

### **Become a Protégé!**

As a Cutting EDGE protégé, you will enjoy the experience of a jam-packed weekend of enriching curriculum allowing exploration and practice of your essential skills in blindness. In addition to educational and independent living practice, this program integrates mentorship and community socialization into the agenda. Participating in the Cutting EDGE Program will connect you with blind mentors and peers across Texas, introduce you to state and national conferences, build up your talents, passions and increase your personal leadership abilities. Why wait? Apply today!
